Leave it to the experts. Sometimes it’s worth the extra charge to let Mikes

Transport put the finishing touches on your packing job. We can do things like wrap up bulky furniture, pack your flat-screen TV, and find a way to transport your vacuum cleaner and toaster.Tips on movingGet rid of it. Piling stuff you don’t need into boxes is ultimately a big waste of time, money, and moving-day manpower. So before you start packing, get your junk under control."Before you get any moving quotes, decide what you're going to keep and what you're going to trash. You're paying for the relocation by weight – so you pay for everything, even those Spiderman lamps you thought were cool as a kid. Are they worth the extra cost?""Get professional moving companies to come into your house and give you moving quotes. The further in advance you arrange your relocation, the better, even if you don't have the exact moving date yet.""Notify your neighbours’ of loading and unloading dates. Most trucks and trailers are very long and take up a lot of room. Managing the parking situation -- as well as neighbourhood children and animals getting in the way -- will smooth the process.""Be aware that you can't get an accurate quote over the phone or using an internet inventory list."
