Domestic and Office Removals / Local & National Furniture RemovalsThe first step for a successful move is to find a reliable and reputable moving company to provide you prompt and efficient service. MoveAround is a reputable removal company established in 2005, with many great referrals. You will find that you always get friendly, personal and professional service when dealing with Move-a-round.MoveAround can help to make your move a good and smooth experience and less the stress of moving your house or office.Moving ServicesEverybody knows that moving is a time consuming task that needs to be done the right way to ensure the safety and security of your household contents during transit. Here are some moving solutions to make the entire experience more convenient and efficient.THINGS TO CONSIDER WHEN YOU ARE RELOCATINGQuotes are based on the volume (size of the removal), the distance and date of removal.A full and detailed list of ALL items (remember the loose stuff, attic, garage and basements) will be compulsory.We need a detailed Inventory of your items to estimate which vehicle will satisfy your needs.Only the items that are listed on the inventory that are included in the load. Keep in mind that if you decide to take more items the total cost of your move will change and it might happen that everything can not fit. Kindly inform us of any changes.Ensure that trucks heavier than 3 Tons are allowed in the complex if applicable. Truck Heights are between 3.5 and 4.3m. Please check

for arches, narrow gates, low hanging tree branches, panhandles or anything that might cause a restriction to the trucks.Additional costs will apply for a Shuttle with “Bakkies” when furniture needs to be carried more than 30meters.In case of moving an office or moving into or out of a flat please advise the availability of lifts.
