ABOUT USAt Muller Conradie Projects, we go the extra mile for every client—no matter the size or scope of the job. Our reputation is built on delivering exceptional service and reliable workmanship across all our projects.Founded by Ruan Muller, the company began with a clear vision: to provide high-quality building and renovation services in the Garden Route and across South Africa. Thanks to a strong work ethic and client-focused approach, the business quickly grew from a two-person operation to a team of seven within the first year, and expanded further to 15 employees by the end of the second year.Today, our service area includes a broader section of the Garden Route, from Mossel Bay to George and across South Africa allowing us to bring our trusted expertise to even more clients.Our steady growth reflects our dedication to outstanding service, client satisfaction, and competitive pricing—making us a preferred choice in the region for building and renovation solutions.When you choose Muller Conradie Projects, you’re not just investing in a structure—you’re creating a space where memories are made, families grow, and dreams take root. We understand that a house isn’t just four walls; it’s where life happens. That’s why we build with precision, care, and a deep respect for the people who will one day call it home.Each project we undertake is a reflection of our values: honesty, integrity, and a commitment to long-term quality. Our experienced team brings together skilled builders, artisans, and site managers who treat every build as if it were their own. We use only high-grade Nutec materials sourced from trusted suppliers, ensuring your home is solid, safe, and built to endure.From coastal cottages to contemporary family homes, our work is guided by one principle: getting it right the first time. Our attention to detail—from

the placement of windows for natural light, to finishes that reflect your personal style—ensures your new home is both functional and inspiring.We also believe that building should be a collaborative process. You'll be kept in the loop throughout, with regular updates, honest advice, and clear timelines—so you always know where your project stands. Whether you're on-site or managing your build remotely, you can rest assured that we are fully committed to delivering a smooth, stress-free experience.With Muller Conradie Projects, you're not just building a house. You're building peace of mind, a solid investment, and a place you'll be proud to call home—for generations to come.Every Nutec home we build is thoughtfully designed to complement the natural beauty of the surrounding environment. Whether nestled between fynbos-covered hills or overlooking the ocean, your home will feel like it truly belongs. We prioritise smart layouts, energy efficiency, and finishes that reflect your personal taste—creating homes that are as practical as they are beautiful. With the flexibility Nutec provides, your vision can come to life without compromise. Our homes are designed for real South African living—adaptable, comfortable, and built to thrive in both modern suburbs and off-grid, rural retreats.OUR SERVICESResidential Build: NutecDurable, cost-effective Nutec homes built quickly and professionally—ideal for coastal or rural living with minimal maintenance.Log HomesMuller Conradie Projects is excited to now offer Log Homes—timber-crafted residences combining rustic charm, energy efficiency, and personalized design.Kitchen cupboards & closetsWe design, build, and install high-quality storage tailored to your style and needs.DeckingCustom outdoor decking solutions built to suit your home—ideal for entertaining and enjoying outdoor living.Residential Build: MasonryTraditional brick and mortar homes designed for strength, insulation, and timeless appeal—built to last for generations.Wooden FlooringWarm, elegant wooden flooring installed with care—perfect for adding value and style to your living spaces.
