Artist; graphic designer; animator and copy writer.Grey Fox Studio provides services in creating and providing the visual versions of brands, messages and communications. Our vision is to help people and businesses get their messages across in ways that are memorable, effective, and aesthetically pleasing. To do this, we work closely with our clients to help translate their goals and ideas into design concepts. Let us add a little magic to your branding.We have a ability to create, be it words or drawings or designs.Please message us if you are seeking a inspired and creative person to put your imagination in ink.We offer the artistic ability to draw original or existing idea's in our own personal style. Our drawings can be used for shirts and other things.We charge R300 per A4 original drawing & R450 per A3 original drawing.We ask for a 50% deposit before we begin the project and I keep the 50% if project isn't cancelled within 2 days of the agreement.EFT transfers are preferable. Accept cash as well.Our designs style can vary depending on clients requests, We will notify you if we do not have ability to fill design, this will follow with a refund.Complete Drawings will only be seen on full payment in order to prevent fraud or stealing of designs.Terms of receiving drawings is that client does not take credit for my designs and does not forfeit a small signature within drawings. We keep a copy of all designs.On receiving the drawings client can do

with it whatever they please AS LONG AS WE RECEIVE CREDIT AS THE ARTIST.Picking up of Projects is clients’ responsibility.We can draw original ideas; existing characters and clients in chibi style.
