Who is The M Store you ask? The M Store is a family run, South African owned service. The M Store is a fit & supply service that caters to women who have had breast surgery. Restoring confidence, comfort & femininity. We carry a wide range of Bras, Breast prostheses & Lymphedema Garments that are suitable for fitting immediately after breast surgery of any kind, to ensure positive healing outcomes for you. The M Store has helped women who've been affected by breast cancer look great in their clothes again. We offer advice for all orders that are placed on our website. We don't just pack it and send it...if it doesn't sound right to you or we think there is something more suitable we will give you the opportunity to change your requirements to suit you better. We work with all major mastectomy wear suppliers nationwide to source the best range of products possible. If we don't have it we can try to get it..Having trouble getting a bra to fit.... The M Store caters for sizes 8-28 and AA-G cups in mastectomy styles. Shop with us with absolute confidence...If it doesn't feel right or look right, then it's probably not right. Please tell us and we will make it right. If you need mastectomy bras, swimwear, sportswear, headwear, compression garments, scar management products, breast prosthesis and most importantly professional, compassionate advice then think of us... The M Store. Our products are all covered by Medical Aid. FIND THE
