20 Jones Street
Nelspruit 1200

Phone: +27 13 752 6677

At Electra, we only know how to provide our extensive client base with the very best two way radios, CCTV camera systems, access control systems, wireless products and networking solutions, audio systems and emergency lights. Our reputation for being the leading Nelspruit company from which to purchase your two-way radios, CCTV camera systems, and other electronic monitoring products has made us the company to rely on, regardless of the industry you are working in. We have 32 years' experience in Mpumalanga and have the infrastructure and capacity to properly execute any project of our industry and maintain the system and equipment in the future. Our existing infrastructure and expertise ensures that our projects be executed timeously and without additional costs. Our reach in Mpumalanga extends beyond Nelspruit and into Witbank, Barberton, Malelane, and White River. We are not only suppliers of some of the most trusted brand names on the market, such as Motorola, Kenwood, Vertex and Tait, but we are also equipped to install the systems you purchase. It is part of our philosophy to ensure that our clients enjoy the best possible service, and in order to fulfil this, we make sure that each client knows exactly how to get the best out of the systems and products that they buy. Our Product Range Two-way Radios CCTV Systems Access Control Wireless & Networking Audio Systems Emergency Lights
