

Leading Edge Flight School

53 Koedoe St
Hoedspruit

Phone: +27 83 400 1405

THE SCHOOLLeading Edge Flight School began training in 1995. The school relocated to Hoedspruit, South Africa, during January 2002. There are two full-time instructors available 365 days a year. The school offers training and flying safaris in Hoedspruit.LEGAL REQUIREMENTSThe school is registered with the South African Civil Aviation Authority (ATO No. CAA/0141). Pilots have to become members of the Microlight Association of South Africa (MISASA) and the Aeroclub of South Africa (AeCSA).THE LICENCEThe school offers training towards the National Pilot License (NPL) and the Private Pilot License (PPL).The National Pilot Licence can be obtained in three categories:Weight Shift Microlight - on your own trikeConventionally Controlled Microlight - on the BantamLight Sport Aeroplane - on the Jabiru J170Gyroplane - on the RAF2000The Private Pilot LicenceAIR EXPERIENCE FLIGHTSAir Experience flights are offered to allow you to experience flying in the world's most amazing three axis microlight known as the BANTAM. Flights of 20 minutes, 30 minutes, 60 minutes and 90 minutes are available. Enjoy the flight in the amazing Bantam with an option to feel the freedom of flight. The 180° panoramic view makes you feel as free as a bird. You can have the opportunity to have a hands on experience if you wish so. These flights are done under the school

and are regarded as instructional flights and can be used as your first introductory flight should you wish to proceed with a licence. Enquire on our website for current prices.

TRAVEL INSURANCE Leading Edge Flying School does not hold their own passenger liability insurance. Below is a good travel insurance which will cover you for all adventure sports you might partake in while you are on holiday in South African.

INSTRUCTION COSTS So you have decided to obtain your pilot's licence and begin your journey of flight. You probably have many questions. A few frequently asked questions are below. Continue reading and most of your questions will be answered. If we don't, please don't hesitate to contact us so that we can give you the correct answers to your questions.

How do the different licences work? What is entailed when learning to fly these different aircraft? Do I have to do it full time or can I do it part time? Which licence is for me? To begin answering these questions you first need to answer the following question: What do I want to do once I have my licence? Not sure? Download more information about our different licence options below.

Conventional Controlled Microlight (CCM) Pilot Licence
Light Sport Pilot Licence
Private Pilot Licence

The minimum age requirement is 17 years for all licences. Training can be done full time or part time. The time required will depend on the licence you choose and whether you are going to do it part time or full time. You will be required to get a radio licence which can be obtained in Hoedspruit and to have done a flying medical, which can be obtained nearby.
