Fun for the whole family With so much to explore @Nature is a perfect getaway for the whole family, whether you enjoy luxury, safari, breath-taking scenery or just want to relax pool side listening to the peaceful sounds the area has to offer, @Nature is the place for you. Peace and relaxation Whether you like to enjoy a beverage on the patio enjoying the sunsets or by to the pool cooling off after an adventurous day @Nature has just what you need to unwind. Breath-taking views With views to remember, @Nature is the perfect balance of fauna and flora. Bird watching We have a large variety of beautiful bird species, a perfect place for any bird lover and a bird watchers dream. Relaxing lapa There is a spacious communal lapa next to our pool area where you can sit and relax while watching one of our breath taking sunsets. Romantic picnic We can arrange a special picnic for you and your other half, please note these need to be booked in advance. Safari We can arrange safari trips in the Kruger National Park, one of the largest game reserves in Africa where you can enjoy a memorable drive through the game reserve and encounter our native wildlife and breath-taking landscapes.
