A WELL-TRUSTED SUPPLIER SOURCE FOR QUALITY POLES AND TIMBER FROM SOUTH AFRICA. For over 30 years, Sabie Poles has been more than just a timber supplier, we're a family business built on passion, quality, and trust. Proudly from the heart of Sabie, Mpumalanga, South Africa, we supply and export a wide range of certified and quality-focused treated poles and timber products to all SADC

countries and internationally. OUR VISION:

To be a globally recognized leader in treated poles and timber, valued for quality, sustainability, and innovation. OUR MISSION:

We pride ourselves on supplying top-quality poles and timber while offering exceptional customer service, strong supplier partnerships, and eco-conscious

solutions that meet the evolving needs of our clients. WHAT MAKES US DIFFERENT

FROM OTHER SUPPLIERS: In a world where eco-conscious building is growing, our dedication to sustainable timber practices sets US apart. Customers don't need to

juggle multiple suppliers, we offer everything from poles to mouldings to structural timber, making projects simpler and more cost-effective. We provide guidance,

advice, and ensure delivery solutions that suit projects, no matter how big or small, anywhere in the world. WE SUPPLY AND EXPORT THE FOLLOWING PRODUCTS: CCA

treated Building and Fencing Poles CCA treated Laths and Droppers S5 Grade
