Along with our excellent coffee, our simple thought-out menu comprises of family favourites, we will provide you the perfect answer to “Where will I meet you?”Our baristas are trained in making the perfect cup!CERAMIC PAINTINGClay & Coffee Lowveld is a paint your own pottery cafe where adults and children of all ages and abilities can experience the fun of painting functional ceramics.Come alone and enjoy some “me time” or bring your family and friends, book a party or group activity.Services:Casual PaintingPartiesGroup EventsTeam Building ActivityVacation Care ActivityWhat is included:CeramicFull Range of Paint ColoursAll Tools & MaterialsGlazing & Kiln FiringStaff To Provide Instructions & AssistanceArt doesn’t have to be hard to be beautiful! All you need is some creativity and some paint and voila!We are here to provide a relaxing environment to let your creative juices flow, while being surrounded by good food,

good people and great coffee.After more than two years and at least 25 000 items being fired in our kilns, it still is the best thing ever to unpack a glaze kiln and discover each items' uniqueness and beauty.Thank you for blessing us with your creations.And this coming from a qualified clinical psychologist..."Such gooood therapy for all our stressful lives. Come experience the rejuvenation your brain experience with clay painting. The reward of having your glazed ceramic item as functional art is just so good!"We do not just cater for children. Adults can have as much fun in our studio.You are very welcome to drop in! However, the studio can get very busy on weekends and during school holidays. To avoid disappointment, we recommend making a quick phone call ahead of time.
