Bushbaby Lodge is situated in the African bush inside Marloth Park Nature Reserve only a few kilometres from the N4 highway between Malelane and Komatipoort. Welcome to the African Bush where Nature and African Wildlife meet. Situated in a very secluded area of Marloth Park Nature Reserve under big Bushveld trees where a variety of game and birds will be your hosts during your visit. Kudu, Zebra, Warthog, Impala, Duiker, Bushbuck, Blue Wildebeest, Njala, Giraffe, Ostridge, Helmeted Guineafowl, Mongoose, Baboon and Monkeys are regular visitors to Bushbaby Lodge. Look out for the lovely Bush babies that will visit you after sunset. Accommodation is offered in a 3 sleeper and/or a 6 sleeper. Both units can be booked to sleep 9 people in total. The units are fully equipped, self-catering with air-conditioning. Each unit has its own private campfire / braai area. The two units are within walking distance of each other and around 400m from the Crocodile River. Make use of the communal splash pool during hot summer days and nights. The units will service the units every day - except public holidays. The lodge is conveniently situated only a few minutes' drive from the Crocodile River, bordering the Kruger National Park, from where you can do game viewing from your vehicle into the Kruger Park. Crocodile Bridge and Malelane entrance gates to the Southern

part of the world-famous Kruger National Park is only a few kilometre away. It is conveniently situated for day visits to the Kruger National Park with Crocodile Bridge gate around 15 km away from Marloth Park. Spoil your family and do the lovely Panorama route - Visit Sabi and Graskop, The world-famous Gorge lift, The big swing and zipline, God's Window, the Pothole and lots of waterfalls during a day outing. It is also close to Komatipoort and the Mozambique and Swaziland borders. At Bushbaby Lodge you can relax around the campfire while enjoying the sounds of nature. It is not uncommon to hear the lions roar as well as the hyenas and hippos in the Crocodile River. Bushbaby lodge is covered by Field security - a Very reliable security company - that will assist in any emergency. Each unit has its own security system. If you want to experience nature and wildlife at its best, then BUSHBABY LODGE is what you are looking for.
