Sportvest is passionate about keeping you moving with affordable once loved gear. Playing sport and having sporty kids gets expensive. At Sportvest we understand this and have come up with a way to lighten the load. Kids outgrow equipment before it gets old. Instead of it sitting in the closet we have created a safe platform where we sell used gear in good condition. We are dedicated to helping everyone stay active and involved in sport without breaking the bank. As a hockey coach and mom of sporty kids, I understand the struggle of constantly needing new sports equipment and shoes as kids quickly outgrow them. That's why I have combined my passion for sport with my desire to make them more accessible to all. Our mission is simple - to provide affordable and quality sports gear so that everyone can stay active and enjoy the benefits of physical activity. With our motto "we keep you moving," we strive to keep you on the move and in the game, no matter your budget. Thank you for visiting our site, and we hope to help you find the perfect gear to keep you active and thriving in your favorite sports. We sell used sports equipment and shoes in excellent condition to keep you doing what you love. Sportvest is committed to providing exceptional service and support to our customers who are at the heart of everything we do.
