We're Committed To Dental Excellence
Dr. A. Ferri qualified at the University of Witwatersrand in 1986. He completed his Military service in 1988 and started practising in 1989. He opened his own dental practice in June 1989 and has relocated to the current premises in Nelspruit in 2008. He has an oral hygienist working once a week and offers an excellent service with many years of experience behind him. He enjoys the aesthetic aspect of dentistry with emphasis on excellence and enjoys children dentistry too. Other aspects offered to enhance the aesthetic component are tooth Whitening, Botox / Filler injections. Modern equipment with digital radiography is employed and a friendly team awaits the patient.
