The NELMED GROUP PRACTICE in Nelspruit, belonging to the Medicross Network of Medical Centres, consists of a team of twelve general medical practitioners and are all located in the NELMED FORUM building, with the aim of providing an everyday one-stop medical service.The NELMED FORUM building is occupied by a wide range of professionals and doctors rendering medical services, making it a true one-stop medical care centre.The well planned building with ample parking facilities on the premises, is a true landmark in Nelspruit, having an elegantly decorated spacious waiting room on the ground floor easily accessible for disabled visitors even if confined to a wheel chair. An elevator is available for the facilities and services on the first floor.
