Nozihle Cleaning Services is a professional cleaning company based in Nelspruit, with branches in Gauteng and Polokwane that provides cleaning services such as contract cleaning services, specialized services, additional cleaning services, as well as professional cleaning training.The company strives to offer environmentally high standards of cleaning solutions that suit our clients' business needs, and a business philosophy that is accredited on first-class service delivery. Therefore, the company culture and value system align with the philosophy.At our cleaning company, we aim to care not only for our clients but for our employees as well. Thus, all our employees are our most valued asset and treated with respect. As a company, we know and understand that our opportunity for growth is very much aligned with employee development, and we continuously strive towards developing, training, and empowering our employees. Our success story is greatly attributed to our professional and skilled employees.Professional Cleaning ServicesWe guarantee to always provide the best cleaning services in Nelspruit because we believe a hygienic environment is a healthy one. Health is our main priority, and we aim to prioritize our work and treat it with the utmost respect to keep our clients happy.Expansion into related cleaning services in Nelspruit, including dry cleaning,

has in addition aided in our efforts to constantly empower our employees, and as a result ensuring that we are creators of job opportunities, mainly in “lower-skilled sectors”.In keeping with our company mission, we implement innovative and cost-effective cleaning solutions, build valued and lasting partnerships with our clients, and protect our environment by ensuring that we use products and chemicals that are environmentally friendly.Commercial CleaningWe prioritize our work to ensure our customers are always satisfied. Additionally, we do this with our highly customized cleaning services solutions for all buildings. Our staff is always to deliver to your needs in commercial cleaning and leave you overly satisfied.Nozihle Cleaning Services specializes in office buildings, shopping malls, schools, hospitals, firms, and other commercial buildings. We are not limited by the size of any building. Most certainly, you can rely on our exceptional cleaning services, regardless of  the size of the building. Even further, we always go an extra mile in ensuring we make the environment clean and healthy for you, your employees, and your clientele. Therefore we deliver according to the requirements on:On-going commercial cleaning.If you would rather hire a cleaning company that will have you on their frequent schedule, we are the right one for you. We offer cleaning services on a daily and weekly basis, based on your request.Once off commercial cleaning.We offer services on call. We honor clients that would only request our services at a particular period in time. This means that we take requests on call for our irregular clients and provide the best services.HACCP commercial cleaning with Nozihle cleaning servicesThere are extreme health threats that can occur. Particularly for restaurants, we offer deep cleaning to prevent any dirt harm on the food. It is highly important for food selling businesses to keep a high volume of cleanliness.Residential CleaningYour household is your little sanctuary, and we understand the need to keep it clean. However, we also understand that you probably do not get the time to clean it to perfection due to life obligations. Therefore, we are here to offer the best cleaning services for your household to ensure proper hygiene for you and your family.Our services will help you achieve the best hygiene in your home. We will clean your whole house to your satisfaction using only the best equipment and cleaning detergents. With us, your residence will

feel spring fresh at all times. Our cleaning services also provide special services for post construction phases in preparation for project handover.Specialized CleaningWe guarantee you the best cleaning services because health is our priority. In addition, attracting and retaining a high calibre of skilled and experienced employees. The company ensures that our staff and contractors get fair remuneration, and all required statutory benefits.Retail CleaningWe offer retail cleaning services convenient for our customers. We understand that a clean retail store means more customers, so we keep stores clean throughout the day. Our advanced cleaning enables us to remove the toughest stains and dirt.
