What We Do Our team of experts safeguard crime scenes, ensure protection of DNA samples and provide professional and technical expertise to support the Police (SAPS) and Security Companies. We are dedicated to fighting crime in the Nelspruit and Lowveld regions. One of our objectives is to keep the members of public aware of crime prevention strategies and we are focused on broadcasting news on our Facebook, of successes accomplished by the Bossies Community Justice team. Our team of highly specialized legal advisors, based in Nelspruit, offer their services to safeguard against offenders being released on bail, effectively prepare court cases and to object at parole hearings. We encourage the members of our community to be involved in keeping their communities safe and joining Bossies Community Justice in the fight against crime! We offer significant rewards for information leading to the arrest of criminals. Bossies Community Justice also provides trauma counseling to families affected by crime. Bossies Community Justice is a company registered under Section 21 (non-profit organization) and we rely solely on the contributions made by members of public and/or businesses for the operation of this organization. For more information on how you can get involved, see our Sponsors Page. We are a non-racial, non-cultural, non-political organization. We are not a security company. The Trust Fund Bossies Community Justice is a company

registered under Section 21 (non-profit organization) and we rely solely on the contributions made by members of public and/or businesses for the operation of this organization. The Bossies Community Justice fund is used to: Employ operational managers who will, once a distress call is received, coordinate between relevant role players e.g. Police (SAPS) and Security Companies. Actively recruit informants with cash incentives. Post significant rewards for information leading to the arrest of criminals. Provide professional and technical expertise to support the Police (SAPS) when securing the crime scene. Supply specialized equipment (e.g. night vision) for special operations with SAPS and security companies. Render support with the assistance of our legal advisors to effectively prepare court cases, object at parole hearings etc. Provide trauma counseling to families affected by crime. We are trained in and operate with the Off Road Rescue Unit (ORRU) Mpumalanga for emergency rescues and equipment is always needed for such activities.
